There was a young lady named Perkins, Who had a great fondness for gherkins; At afternoon tea She ate twenty-three Which pickled her internal workins! This book contains over 200 funny, non-rude limerick poems old and new, suitable for children as well as adults. Laugh at the antics of the woman from Chippenham, Wilts, who walked up to Scotland on stilts, the old lady of Rye, who was baked by mistake in a pie, the young man called McLeod, who played the trombone far too loud - and many many more.
