The paper quality is adequate. If you like cats and cartoon like illustration this is for you.....0 of 0 people found the following review helpful. Cats cats and more cats!By Mother of DragonsI purchased this as a gift for my mother in law a cat lover and I have to say it was a hit! Being an older lady nearing retirement, she needs to keep busy! And what better way then this great coloring book! The images are lovely and the pages are full full full of kitties to color. Price is outstanding for

the material you get, it is a smaller book. But the amount of time you spend on each page will keep the colorer very busy! Great book! 0 of 0 people found the following review helpful. Great pictures, but not a well functional for long-time coloring. By AliceCute illustrations, but the way the images are folded into the binding, it's almost impossible to get a good coloring experience.

Chubby cats. Smiling cats. Cats on buses, pedaling bicycles, playing instruments, and napping happily on branches: lots of cats to color and love! Fans of fabulous felines will find kitties aplenty on these fun and whimsical pages. Each picture is rich in beautiful detail to spark the imagination of prospective artists—and keep them happily occupied for hours.
