First Last : ADVENTURES OF TINTIN IN AMERICA before purchasing it in order to gage whether or not it would be worth my time, and all praised ADVENTURES OF TINTIN IN AMERICA:

1 of 1 people found the following review helpful. Classic ComicBy R. BowmanI'd seen a few references to Tintin but had never seen the comics. I was happy to get an electronic version that displayed nicely on the Fire.0 of 0 people found the following review helpful. I know Tintin is old, but...By Del StephI know you have to give Tintin some grace because of when it was written, but geesh...out of all the Tintin books, this one may be the most problematic. This would be a great addition to a Tintin collection for completionists, but the world would forgive you if you never bought it.0 of 0 people found the following review helpful. Very hard to read on kindle deviceBy Tara BurtonI'm very

disappointed in this kindle copy - very difficult to read. I will be purchasing the print version. :(I wish there was a way to get my money back on this!

Fascimile Edition of Tintin's Travel to America.

About the AuthorHerge (Georges Remi) was born in Brussels in 1907. His pseudonym comes from his initials backwards (R.G., as pronounced in French). Over the course of 54 years he completed 23 albums of The Adventures of Tintin series, which is now considered to be one of the greatest, if not the greatest, comics series of all time. With translations published in over 80 languages, more than 230 million copies sold worldwide and a Hollywood movie to its name, Tintin dominates the Comics and Graphic Novels chart even today. Sadly, Herge died in 1983, leaving his 24th album, Tintin and Alph-Art, unfinished, but his hero continues to be one of the most iconic characters in both adult and children's fiction.
