An endearing portrait of growing up in 20th-century America *All My Imperfections I Inherited From My Mom* is a humorous compilation of short stories reflecting on many of the physical imperfections that all of us inherit from our parents. Many of these imperfections-allergies, hair loss, weight gain, acne, ugly toes-if taken too seriously, can lead to depression and low self-esteem. In a witty, lighthearted manner, author Craig T. Feigh reflects upon the trials and tribulations resulting from many of his youthful, inherited imperfections. Let him take you on a hilarious childhood journey of discovery and self-affirmation where the awkward moments of growing up are transformed into lessons of truth. You'll feel a new affinity for yourself and yours-imperfections and all. Craig T. Feigh, a native of Hollywood, IL, graduated from the University of Hawaii with a Bachelor of Arts Degree in Business. Since graduation, he has pursued a career in the telecommunications industry where he has held several Sales and Managerial level positions with some of the world's best Telecom Companies. Craig's other books include: *The Sure Way To Him What Do You Say To An Answer Machine?* In addition to writing, Craig, is an Entrepreneur who holds a US Patent for a lawn and garden tool.
