Workman Publishing : Animal Crack-Ups Page-a-Day 2012 Calendar (Page a Day Calendar) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Animal Crack-Ups Page-a-Day 2012 Calendar (Page a Day Calendar):

What's tickling these animals' funny bones? The Animal Crack-Ups Calendar! Pairing a daily full-color photograph of an animal howling with laughter and an irresistibly corny joke, pun, or riddle, it's a goofy hoot for the whole family. Find out why the polar bear is rolling on the floor laughing: Where do polar bears keep their money? In snow banks. And here's the gem that put the lemur in stitches: Why couldn't the primate become a comedian? His jokes were getting lemur and lemur. Uproarious and adorable images perfectly matched with a groaner that's so bad, it's hilarious...right, sea lion? What does stuck seaweed say? Kelp! Kelp!
