Featuring the stylish and delightful designs of Barbier and the artists of Harpers' Bazaar, this beautiful new book will give you many hours of pleasure, and calm. Printed on high quality paper, this new book features 45 powerful art deco fashion designs for you to colour, offering a suggestion of how the original looked as well as key information such as title and date. Barbier's famous illustrations of high culture still provide a powerful influence on modern design, and this wonderful book will take you on an enjoyable journey where the satisfaction of creating stunning artworks is mixed with rediscovering the joy of colouring. You can use a wide variety of pens: from gel and pencil, to pigment and crayons, from ballpoint and rollerball to highlighters, although it's best to avoid the heavy felt pens. Each page is perforated near the spine of the book, so you can tear out and frame, or simply place your wonderful creation on the walls of your home, perhaps even send them as a gift to your loved ones. Bring the Ink to life!
