0 of 0 people found the following review helpful. great bookBy jkempReceived fast in great condition. Has wonderful pics. they are cleaned up.Pics. on both sides of page which isn't to great, no perforations. There are pattern pages, like wallpaper patterns not to crazy about that. It is a little larger than most coloring books and ofcourse the silver foil front and back tha people like, I don't. The description said it had orchids in it well it doesn't. Someone needs to put together some of his florals, etc. into a coloring book. I know have all the coloring books with his art

Based on the intricate illustrations of Ernst Haeckel, one of the world's most celebrated naturalists and artists, this coloring book provides hours of absorbing and soothing entertainment. Ernst Haeckel's series of incredibly detailed prints have influenced designers and artists for over a century. Collected in books such as the perennial bestsellers Art

Forms in Nature and Art Forms from the Ocean, they now form the basis of a beautiful coloring book that is suitable for any age. Each page contains boldly outlined designs based on Haeckel's original illustrations of Radiolaria, Foraminifera, and other forms of microscopic life; jellyfishes, starfishes, corals, and other sea life; mosses, lichens, orchids, and other plants. With nearly 100 pages to choose from, the variety of designs presented in the book is breathtaking. With coloring books quickly becoming a remedy for daily stress, this collection is certain to be a popular source for those seeking a relaxing pastime that is both artistic and satisfying.
