**Perry P Perkins : Elk Hunters Don't Cry: An Outdoor Collection** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Elk Hunters Don't Cry: An Outdoor Collection:

0 of 0 people found the following review helpful. Short and short on elk hunting stories By Dhottell Good humor, well written and entertaining in a sort of McManus fashion, just not as funny. Title is a bit misleading as there is very little about elk hunting. A better title might be "Steelheaders don't cry". I was not disappointed in the content, just lack of it. For the record, elk hunters don't cry, but campfire smoke does make the eyes water from time to time, as will missing

a big bull at short distance. 0 of 0 people found the following review helpful. elk book By Heidi Mebesmore to do with fishing but since we do it all, still funny and liked the short stories they should have had a different cover or more elk hunting stories in it!! 0 of 0 people found the following review helpful. elk hunters can relate By baitmaster Fun read, especially if you're an elk hunter. this guy has been there and done it, so you know what he's talking about.

A collection of the humorous, poignant, and sometimes absurd adventures of a Pacific Northwest sportsman.

I also thought "Elk Hunter's Don't Cry" but I found out that is not always true. I didn't even make it through the first chapter before tears were running down my face from laughter. This book is so real you can see yourself or one of your buddies in every story! --Daryl's Hunting s About the Author Novelist, blogger, and award winning travel writer, Perry P. Perkins is a stay-at-home dad who lives with his wife Victoria and their two-year-old daughter Grace, in the Pacific Northwest. Perry has written for numerous outdoor magazines and anthologies including American Hunter, Bassmaster Magazine, and Northwest Fly Fishing. His inspirational stories have been included in twelve Chicken Soup anthologies as well. Examples of his published work can be found online at [www.perryperkinsbooks.com](http://www.perryperkinsbooks.com), and on [www.pdxdads.com](http://www.pdxdads.com)
