I recommend this to people who like catsBy KatherineHas many stickers that are cute and it was worth the money, I recommend this to people who like cats0 of 1 people found the following review helpful. Great for trading or decorating stationeryBy Alycia CThere are only about twenty different images, five sheets of each set. I was a bit disappointed to find this was not 200 different stickers.4 of 4 people found the following review helpful. Cat Lovers Will Love ThisBy Maria GaglianoMy daughter loved this book. 'She is 10 and like most girls 8-14 loves cats.Today she took the book to school and shared with her friends. She said they all wanted a page each but she gave them only a few stickers each because she wants to decorate her Pen Pal letters and envelopes with them.There are about 40-50 different cat stickers with them repeating every few pages.Each photo features a real cat making a funny face or emoting something with a fun word or saying.Perfect for cat lovers of all ages who love humor
