TOO MANY STARS TO COUNT--Very creative and very clever!By Patricia A. LiottaFABULOUS PUGS is a must own for pug fans and animal lovers. Lisa Knapp's pug is indeed a super model: she can wear anything and look fantastic! Now, my pug has a crush on her! The outfits--extensively researched--are incredibly stunning and authentic. Lisa is stellar when it comes to detail; each and every costume her pug wears is meticulously made; moreover, she has an excellent sense of film and history. This book is a great gift for anybody who appreciates extraordinary creativity. I give FABULOUS PUGS as many stars as there are personas portrayed in this absolutely adorable and beautifully done book--BRAVO! I know our pug loves to pose in clothing and this one is no different.Charlie dresses up in almost every imaginable sort of costume including many famous figures from history. It's great fun to see all of the creative costumes and the stolid pug sitting through it all as the perfect model.Really - if you love pugs - and you love dressing them up - get this book - give it as a gift to someone you know who loves pugs (as I did) - makes a great coffee table book.Simply a lot of fun.

This pug can certainly strike a pose. With an unmatched talent for scenery chewing and a mug that can only be

described as fetching, actress-model-pooch Charlie vogues her way through the warp and woof of history in this enchanting book of photos by Atlanta-based designer Lisa Knapp. There's no role—male or female, world leader or screen goddess—that's too daunting for Charlie (and no costume that she's unwilling to squeeze her plus-size figure into). Wrapped in a toga, she's a formidable Julius Pugustus Caesar. As Attila the Pug, she proves herself equally comfy in barbarian togs. As an animal skin-attired Cave Woman, she's savage. As a pillbox-hatted Jackie, she's the very image of sophistication. And when Charlie doffs it all as a platinum-tressed Lady Godiva, she sizzles. Napoleon Bonapug, Mao Tse-Pug, and bling-bedecked gangsta rapper Notorious P.U.G. are among her many other hilarious incarnations. Charlie's wardrobe—expertly researched and tailored by author and proud “pug parent” Knapp—is remarkable for the costumes' meticulous detail and historical accuracy. Fabulous Pugs will captivate fashionistas, amuse history buffs, and delight all the pug-lovers among us (and who isn't one, really?).
