Based on a line of popular greeting cards, this book of masquerading animals is ideal for all ages. You'll find yourself wondering as you gaze at the pages: is that a cute puppy or a diva? And wait, does that hamster remind you of an uncle with political ambitions? Turn the page. There's a cat styled as the most popular girl in school! The laughs will just keep coming as you browse. You'll find it hard to choose a favorite with so many quirky characters to choose from.

But one thing is certain--this whimsical collection is bound to make you smile.

"For anyone who desperately needs something to smile about-- this art book will surely appeal to the heart."

~Diva "Hilariously funny" ~ Gala Magazine
From the Inside Flap The ideal gift for anybody who enjoys a laugh For all who love animals
