Mickey Flodin, Carol Flodin : The Country Western Guide to Life before purchasing it in order to gage whether or not it would be worth my time, and all praised The Country Western Guide to Life:

Country music and the western look are gaining in popularity, and this guide shows readers the clothes to wear, tunes to hum, and even the right nickname to adopt. Flodin tells where to learn the Texas Two-Step and covers rodeos, music festivals, dude ranch vacations, and more. 50 photos. 50 line drawings.
