**Andrew DeGeorge : The Domain of Dots: The Solitaire Art Game** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Domain of Dots: The Solitaire Art Game:

The Domain of Dots is an Art Game that is easy to learn but hard to master. It's a game that will test your creativity and your discipline, but unlike almost any other game, if you "win" this one, you might have a cool piece of "Dot Art" to show the world. See the YouTube Channel: DomainofDotArt for videos that go deeper into the possible uses of this book. An introductory video is at the following link <https://youtu.be/BDMAAas9Cio>

About the Author Andrew DeGeorge is a graduate of Rutgers College of Engineering who has worked in a variety of industries usually in the Quality Control/Assurance field. He is pursuing a career as an Inventor and Author. His

inventions mainly touch on human imagination and cognition and is currently developing on a new format for presenting works of fiction.
