About the AuthorHoxton Street Monster Supplies was established in 1818, though the exact details of why, and by whom, have tragically been lost to history. They pride themselves on being London's, and quite possibly the world's, only purveyor of quality goods for monsters of every kind. Due to a rather inconvenient curse, all of their profits go to the Ministry of Stories, a creative writing and mentoring charity for young humans. They are doing everything in their power to rectify this intolerable situation.
